Three of the Oneota artifacts examined in class were...they were used for...and they tell us that the Oneota...

1.

2.

3.

The word "prehistoric" means...

---

---

---

Who were the Oneota people and where did they settle?

---

---

---

---

Some activities that I participated in at the Oneota site were...

---

---

---

The Oneota were resourceful (made full use of their natural resources in order to survive) in these three ways...

1.

2.

3.

My impression is that the Oneota culture was...

---

---

---

---

---

My life today is similar/different to the lives of the Oneota in these ways...

---

---

---

---

---

The most interesting thing I learned in this class was...

---

---

---

---
