## MEDICAL AUTHORIZATION AND RELEASE STATEMENT

Agreement, Indemnification, and Assumption Of Risk

Our goal at Eagle Bluff is to provide safe learning experiences for all our participants. Our high ropes course, group challenge course, rock climbing wall, and all equipment are inspected regularly and are structurally sound. In addition, each participant receives safety instruction and an equipment check by a trained Eagle Bluff staff member. We adhere to the highest standards of safety and supervision in every class that we offer.

## By signing the front of this form, I agree to the following...

I, as parent or guardian of the named minor (hereinafter referred to as "minor"), hereby give my permission for my child or ward to participate in all Eagle Bluff activities and further agree to the terms herein contained. In consideration of the minor being permitted by Eagle Bluff Environmental Learning Center, Inc. (hereinafter collectively referred to as "EBELC") to participate in its activities and to use its equipment and facilities, I agree to indemnify and hold harmless EBELC from any and all claims, demands, or causes of action which are brought by myself, and/or the minor and/or on behalf of the minor against EBELC, and which are in any way connected with such use or participation by minor. In the event that I file a lawsuit against EBELC, I agree to do so solely in the state of Minnesota, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

I acknowledge that my child's participation in individual and group initiatives, problem solving exercises, and personal growth and development training activities entails known and unanticipated risks that could result in physical or emotional injury, or death to my child, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

I also agree to direct my student to comply with all Eagle Bluff rules and policies and to cooperate with Eagle Bluff personnel. I understand and agree that if the student fails to comply with the rules and policies, she/he may be expelled from Eagle Bluff and sent home at my, the parent or legal guardian's, expense.

I hereby represent that the minor is in good health, that I have identified all medical conditions associated with the minor, and that I have adequately informed EBELC personnel of any special instructions regarding the minor. I certify that I have adequate insurance to cover any injury or damage the minor may suffer while participating, or else I agree to bear the costs of such injury or damage myself.

I acknowledge that the student's medical conditions stated on this form are complete and correct. I authorize EBELC personnel to call for medical care for the minor or to transport the minor to a medical facility or hospital if, in the opinion of such personnel, the minor needs medical attention. I further authorize appropriate personnel to render such medical treatment as is necessary for the health of the minor, in their professional opinion. I agree that once the minor is in the care of medical personnel or a medical facility, EBELC shall have no further responsibility for the minor and I agree to pay all costs associated with such medical care and transportation.
